

This document sets out key information about your relationship with Search Consultancy Limited ("Search") and the Umbrella Company used in your engagement, including details about pay, holiday entitlement and other benefits.

The Employment Agency Standards (EAS) Inspectorate is the government authority responsible for the enforcement of certain agency worker rights. You can raise a concern with them directly on 020 7215 5000 or through the Acas helpline on 0300 123 1100 Monday to Friday, 8 am to 6 pm.

You can choose to be paid through an Umbrella Company: a third-party organisation that will calculate your tax and other deductions and then pay you for the work undertaken for Search. Search will be responsible for finding you assignments.

The money earned on your assignments will be transferred to the Umbrella Company as part of their income. They will then pay you your wage. All the deductions made which affect your wage are listed below. If you have any queries about these please contact us.

Your payslip will be provided by the Umbrella Company.

Search has undertaken limited checks on this Umbrella Company including compliance checks, on-site audits, payslip reviews and accreditation checks (FCSA or Professional Passport). Search cannot make any guarantees as to suitability or comparative benefits so you should undertake your own checks in order to decide which company is most suitable.
